## **Security Vision Attends International EXPO**

*Myrtle Beach, SC-* Myrtle Beach based residential and commercial security company, Security Vision, recently attend the CEDIA EXPO 2010, the residential electronic systems industry's top tradeshow and training event.

Michele Weissman, President of Security Vision, Robin Reynolds, Director of Sales and Marketing, Dan Moniz, Residential Certified Lead Technician and Jesse Jordan, Certified Technician joined over 20,000 attendees at the International EXPO.

"The CEDIA EXPO features the latest products and technologies from hundreds of manufacturers in the home technology market as well as four days of industry education and training from expert instructors. It is just one of the many ways we stay on the cutting edge of this ever changing industry," explained Weissman.

*Security Vision has over three decades of combined experience in providing automated and electronic solutions for residential and commercial properties. Their team of dedicated professionals and technicians offer burglar, fire, and camera systems, theater & media rooms, intercom systems and access control systems as well as a tremendous variety of reputable brands. For more information or to schedule a free custom consultation call 843-839-4238 or visit [www.securityvisionmb.com](http://www.securityvisionmb.com). **We protect our family, let us protect yours.***

### **About CEDIA**

*CEDIA is an international trade association of companies that specialize in designing and installing electronic systems for the home. The association was founded in September 1989 and has more than 3,500 member companies worldwide. CEDIA members are established and insured businesses with bona fide qualifications and experience in this specialized field. For more information on CEDIA, visit the association's Web site at [www.cedia.org](http://www.cedia.org).*
