

# Vroom™

VROOM™ SOLO  
FREESTANDING UNIT WORKS IN ANY HOME

## VROOM YOUR ROOM WITH THE **3** SECOND CLEAN!

### QUICK

Vroom is ideal for quickly cleaning small spaces and dry messes in high traffic areas of your home, such as kitchens and bathrooms. Its instant accessibility makes it a great addition to your more-thorough weekly cleaning regimen.

### EASY

Vroom turns on and off automatically to make cleaning simple – just lift the hose and you're ready to clean. Built into your cabinet, it can be installed on the right or left side. Also, its retractable hose means nothing to trip over. Debris collects in the easily-accessed dust collection bag.

### CONVENIENT

Vroom installs neatly inside most standard cabinets so it's there when you need it, but tucked away out of sight when you don't. It's perfect for everyday use, anytime you need to clean a mess fast. Plus, no more rounding up multiple supplies – broom, dustpan, sponge or paper towels.

### INSTALLATION

Can be installed in most base cabinets.  
Requires a 120 volt power supply in cabinet.

Vacuum Component Size:

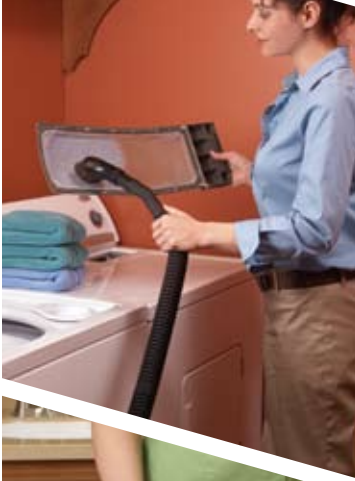

14.25" deep x 7.25" high x 10.375" wide

Hose Component Available Sizes:

21.86" deep x 16.25" high x 3.25" wide, 24' extension or

17.86" deep x 16.25" high x 3.25" wide, 18' extension

Vacuum and hose components do not have to be mounted next to each other.

### AUTO START

Turns on automatically when you grab the hose and release it from its base.  
The system shuts off when you place the hose back into the docking station.

### HOSE & STANDARD TOOLS

Vroom extends up to 24'. Its contoured end works as a built-in crevice tool. The adjustable wand, included with each Vroom System, is 19" compressed and 30.5" expanded so you can effortlessly clean without the strain of bending. The included convertible floor/rug tool makes cleaning rugs and hard surfaces quick and easy. Comes complete with a 3-pack of dust collection bags.

**Additional attachment kits available for your specific cleaning needs.**
